Rental Contract

Phone 617-323-8818

Rental Benefits:

- Graduated Sizes: When a student outgrows an instrument, it can be exchanged for a larger one.
- Onsite delivery of the instrument

Insurance:

All Artisan students are required to carry insurance on the instrument they are renting. The renter will be responsible for our instrument, including theft or damage (reasonable wear excepted) until the instrument is returned. Insurance will cover standard repairs (i.e. broken strings, broken bow, etc.) but will NOT cover loss of the instrument. The renter will be responsible for the replacement cost of the instrument at market list price if the instrument is lost.

Fee Structure and Payment Policy:

Rental fees must be paid in advance for the rental of all instruments. Rental terms are for three month and twelve month periods. The twelve month rates have been priced at a considerable discount and are the most cost effective option. However, should you decide on the three month contract, after the initial three month period has ended you may continue to rent for an additional three months, six months, nine months, or longer if needed. The insurance will cover your rental from the first day of rental to the last day of your contract. The day the rental period ends, the insurance ends, so be sure to let us know in plenty of time if you plan to extend your rental.
